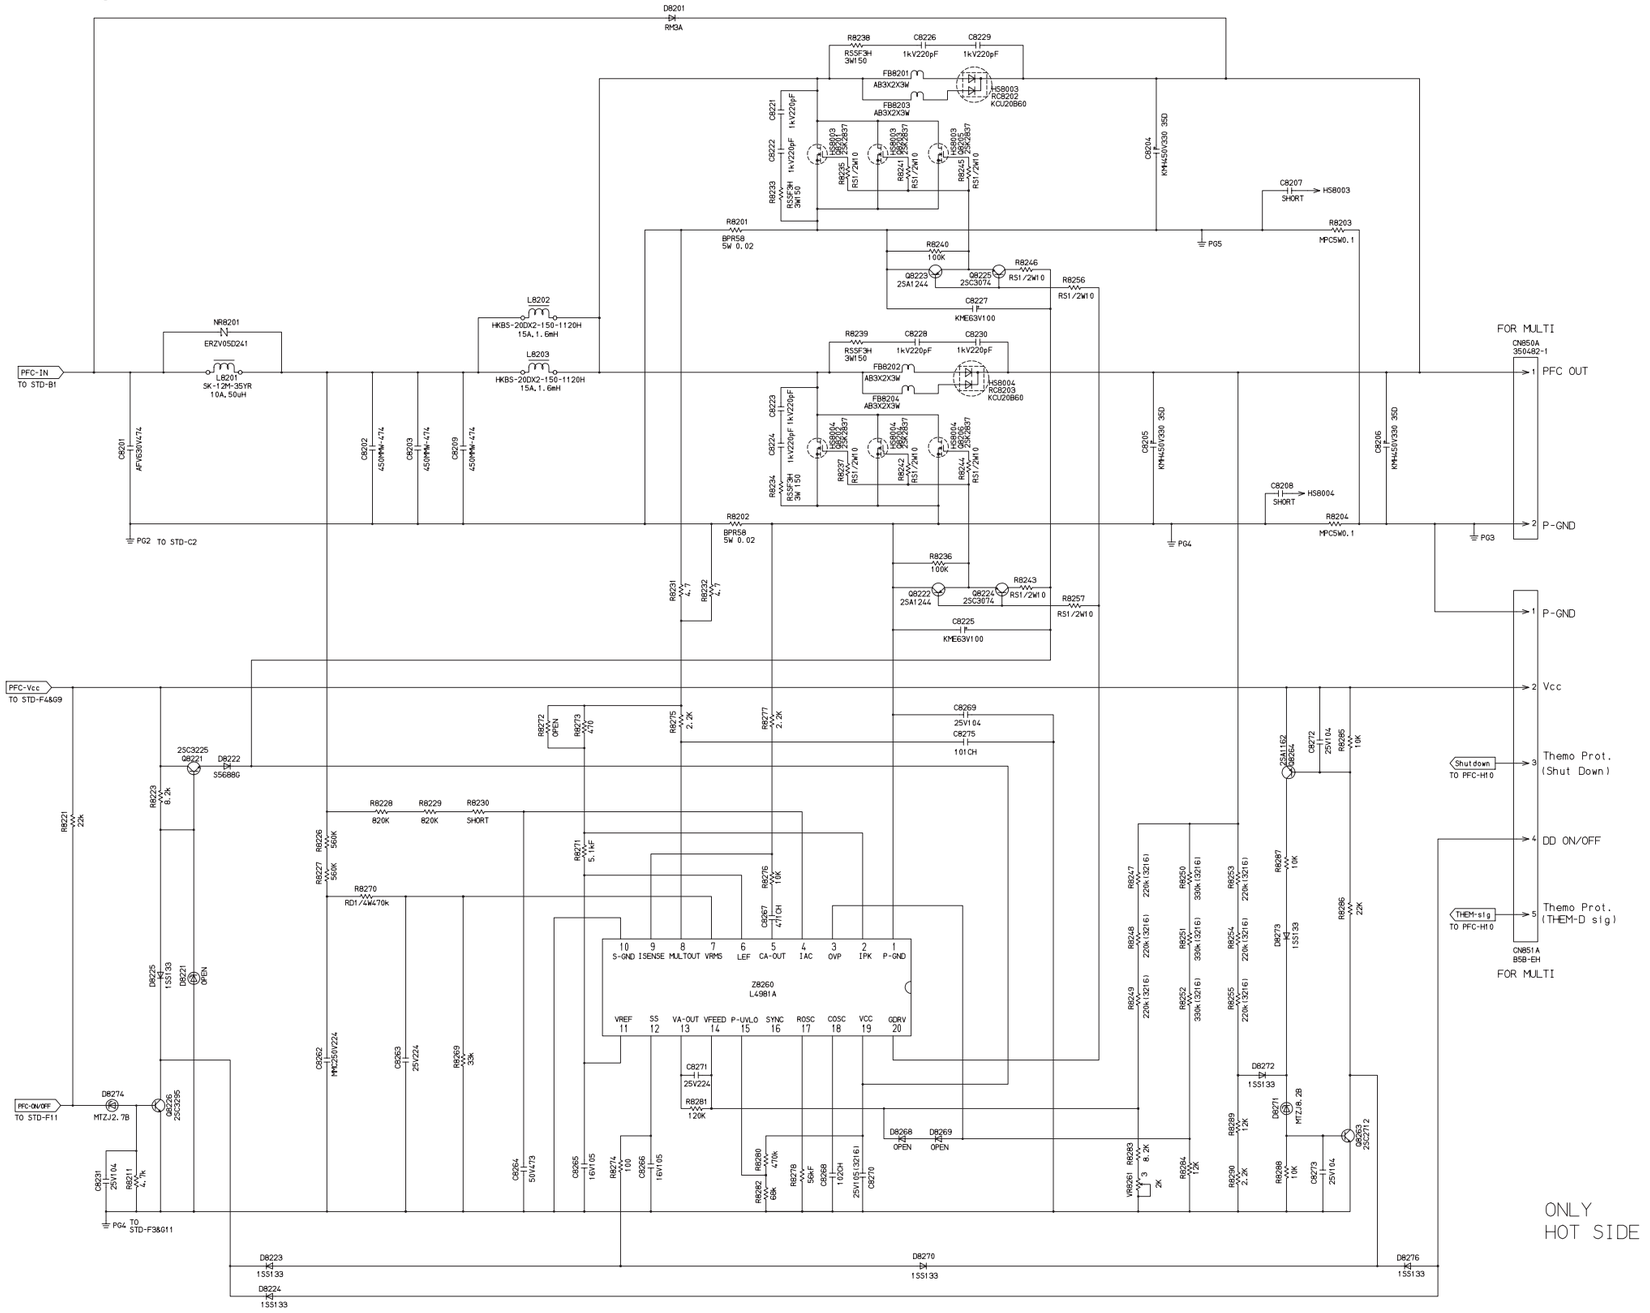
arts without type name are as follows.
* Resistor : 2125size and 1/8W type chip resistor
* Resistor(3216) : 3216size and 1/4W type chip resistor
* Capasitor : 2125size chip ceramic capasitor
* Capasitor(3216): 3216size chip ceramic capasitor

5-8 SMPS 4

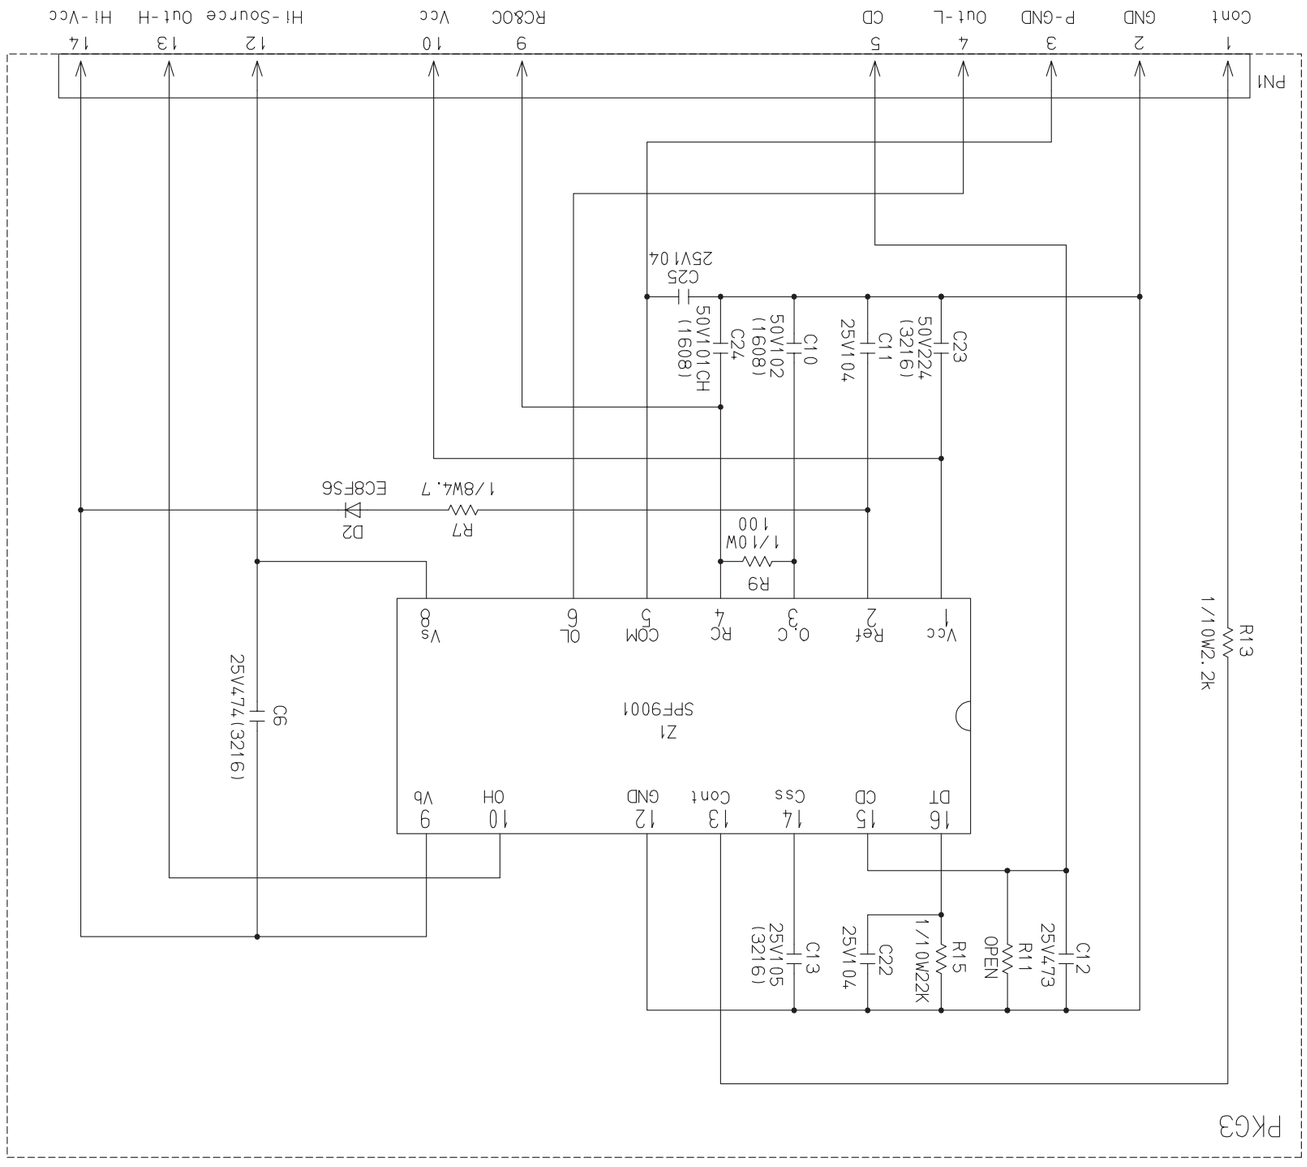
This Document can not be used without Samsung's authorization.



The parts without type name are as follows.
* Resistor : 2125size and 1/8W type chip resistor
* Resistor(3216) : 3216size and 1/4W type chip resistor
* Capacitor : 2125size chip ceramic capacitor
* Capacitor(3216): 3216size chip ceramic capacitor

5-9 SMPS 5

This Document can not be used without Samsung's authorization.



The parts without type name are as follows.

* Resistor : chip resistor
* Capasitor : 2125size chip ceramic capasitor
* Capasitor(1608) : 1608size chip ceramic capasitor
* Capasitor(3216) : 3216size chip ceramic capasitor

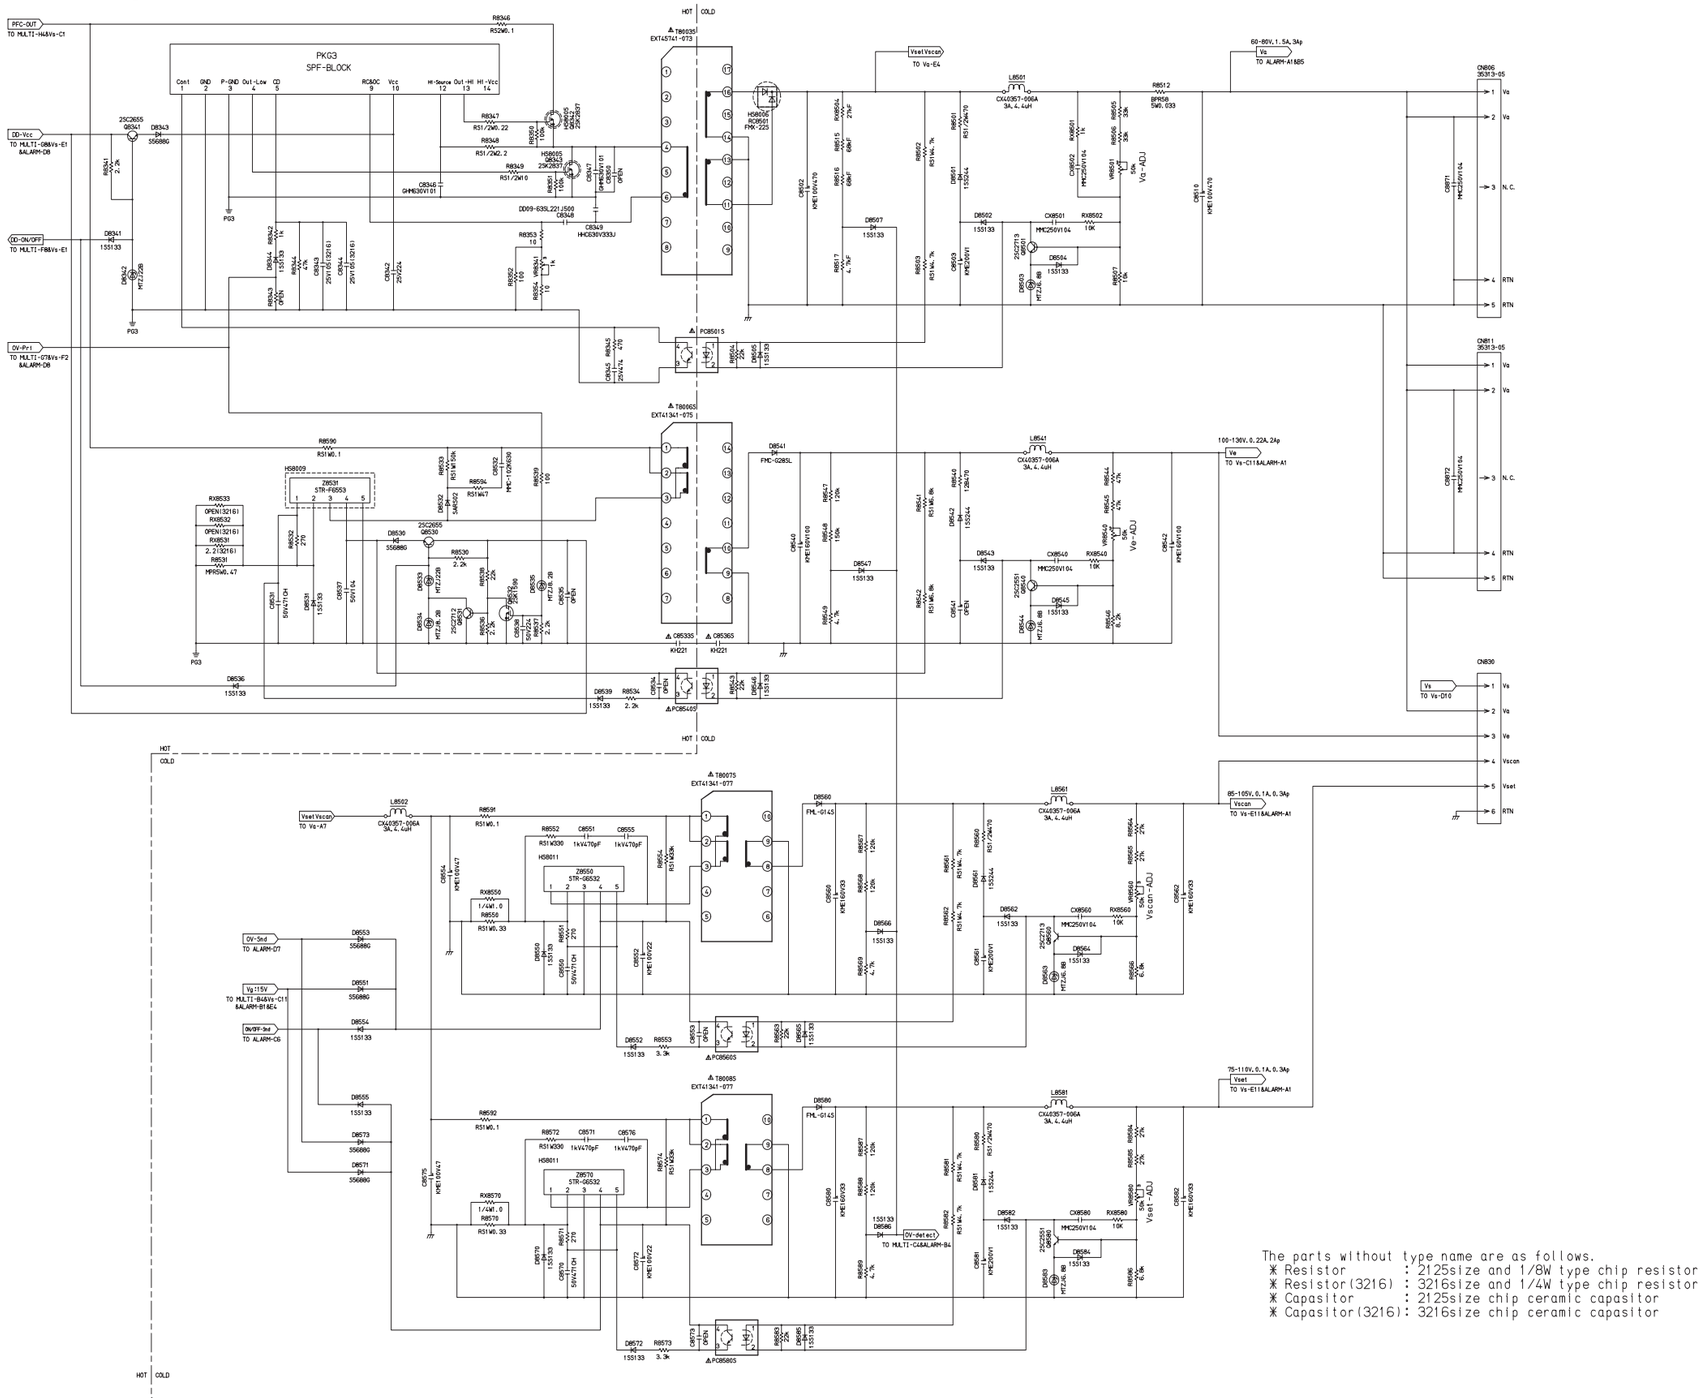
HOT SIDE

5-10 SMPS 6

This Document can not be used without Samsung's authorization.



The parts without type name are as follows.
- Resistor : 2125size and 1/8W type chip resistor
- Resistor(3216) : 3216size and 1/4W type chip resistor
- Capasitor : 2125size chip ceramic capasitor
- Capasitor(3216): 3216size chip ceramic capasitor
